

## Property Committee

The Property Committee for 2019 consisted of Ken Johnson, John Kinneer, and the late Bob Jacobs. Bob was our maintenance man and kept all the equipment up and running. Our Lawn Committee is listed below.

Our responsibilities are to maintain all of the church property, the grounds and all the buildings. This includes the air conditioners, plumbing, the fountain, kitchen and the janitorial service.

Some of the most noticeable ones are:

- A new roof, shingles, on the Sanctuary
- Repairs on the C.E. Building roof
- Repair Portico after being damaged by a vehicle
- Renovation of the Fellowship Hall
- Had security light install in Northeast parking lot
- Replaced several damaged windows
- Cleared damaged and downed trees at rear of property
- Built a bonfire for the Venture Scout group

We held a workday in November and covered a lot of necessary items that needed attention.

I want to thank the Lawn Committee: John Kinneer, Matt Weinell, Craig Isom, Sandra Kuhn, Steve Graves, Chuck Brooks, Matthew McGraw, and Lois Johnson for all their efforts to keep the grounds looking great.

We look forward with 2020 with excitement with many projects we have in mind.

Respectfully submitted,

Ken Johnson, Chair
