

Property Committee

Committee members: Ken Johnson (Chair), Jim Smith, Bob Jacobs, Kay Lachat, John Kinneer, Bob Henning, Randy Burns, Terry Ward, and Joe Faragasso.

The church property is maintained by the Property Committee (and church members during our occasional churchwide work day). We have professional services to do the lawn maintenance and the housekeeping.

2016 was a bit unusual with the destruction from Hurricane Hermine. It left several trees down, many of which are still being removed. The property committee removed those that were visible, and they were used for our bonfire event.

A new well-pump had to be installed and the fountain was repaired several times. Our church facilities are showing signs of age, and we hope to repair and modernize this upcoming year.

Ken R. Johnson
Chairman
