(continued from June 2021) as pray with them for the people they lead on their fields. There are 3 aspects that we are to focus on as we serve these field leaders – Lead, Develop, and Care. Of course all these responsibilities will take much listening and prayer on our part. Pray that we would be faithful in this work and that the Lord would use us in the power of the Holy Spirit to see growth in our own ability to lead in love and humility. Thanks again for your concerns and prayers for us. John and Lynn Lehn
