Dear Praying Friends,

The church in Dubrovnik has begun looking for a facility to buy that will allow the church to grow into a vibrant body of believers that is making disciples and multiplying the planting of other churches in our region of the country. This is a very strategic goal that will impact this part of the country for many years to come. Please be in prayer for the church to embrace this vision wholeheartedly, wait patiently for God's timing, and to trust God for the needed finances. We believe we have about 80% of the funding for such (continued on July 2022)
